Dear Chairman:

I support my local beer distributor. If you are asked to vote on any legislation affecting the Pennsylvania Liquor Control Board, I want it to include the following:

I WANT MY BEER DISTRIBUTOR TO BE ABLE TO SELL:

- Beer by the six pack
- Pennsylvania produced wine
- Wine from anywhere in the world
- Whiskey, vodka, rum and other distilled beverages
- Groceries and convenience store items

I BELIEVE MY BEER DISTRIBUTOR IS AN ASSET TO OUR COMMUNITY AND:

- Does a good job enforcing liquor laws.
- Is an asset to our community.
- Should not be placed at a disadvantage or driven out of business because of changes to our laws.
